

You are one in ten-million. . . . or you could be.

Help The Steamship Historical Society of America send a classroom of students to the historic Queen Mary

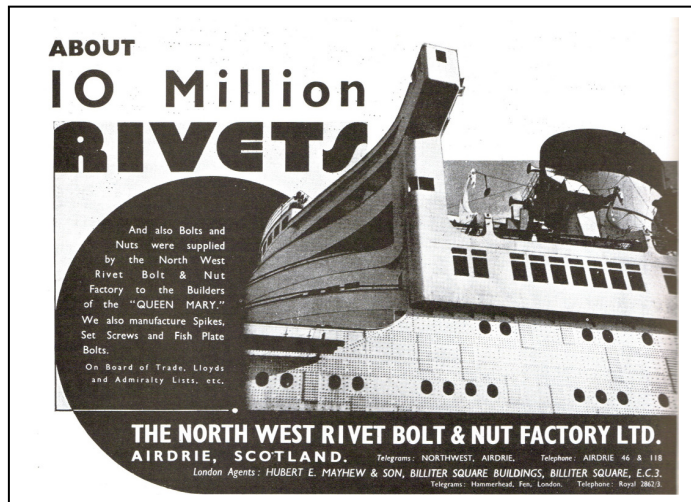

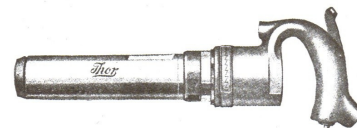

To kick-off the SSHSA new **“Waves of the Past”** Youth Tours Program, we are pleased to announce that you can **“Adopt A Rivet”**.

For just a **\$1.00** donation, You can “Adopt” one of the **ten-million** rivets used to build the Queen Mary. And just as these rivets hold the ship together, so do the supporters and friends of the Queen Mary through their generous contributions.

Send **\$1.00** for each rivet you wish to “Adopt” to:

Steamship Historical Society of America, SoCal Chapter
1126 Queens Highway
Long Beach, CA 90802

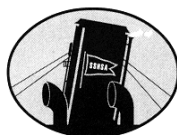

HISTORY
ART &
SCIENCE
IN A UNIQUE
PLACE

And while a dollar doesn't seem like much, just like the little rivet, if we get enough of them we can build amazing things. It costs \$25 per student and about \$1,000 per class. The **students love the program!** In their feedback comments they always ask for more – more Queen Mary, more history. **Please help today.**

The Steamship Historical Society of America, Inc. is a public benefit not-for-profit 501(C)3 organization and donations are tax deductible to the fullest extent allowed by law. All “Rivet” donations will be deposited in a restricted account – 100% of your gift will be used to bring students to the Queen Mary.

**“ADOPT A RIVET”– HELP OUR YOUNG STUDENTS
CONNECT WITH MARITIME HISTORY**

THE STEAMSHIP HISTORICAL SOCIETY
OF AMERICA
